### EGS Lodge

Tony Young writes:

The EGS Lodge meetings, where 4 times a year we meet formally (starting circa 4-30pm) and dine together subsequently at Southgate Masonic Centre (finishing by 9-30pm). We would be delighted to get interest from existing as well as non-masons who might like to think of EGSL as a means to keeping a formal get together going.

And finally...

I am standing down as Secretary of the Association and ending my official involvement. It has been a great pleasure to have been part of getting the Association running again along with Peter Gross and Richard Newsum.

To complete the War Memorial in 2015 was the highlight of the last two years. I can also tell you that the RAF Museum at Hendon has placed a copy of the Role of Honour in their archive, so the project is still very much ongoing. I will remain the 'custodian' of the memorial and any information or enquiries surrounding it.

I am not able to continue as Secretary for several reasons, but I hope that someone will come forward to continue the running of the Association in its current or some different form.

Thank you to all of those who have sent me information, news, memories and other items of interest over the last few years which I have tried to share as best and as often as I could with the members.

Best wishes,

**David Malleison**  
**Hon. Secretary, EGSOBA**
